

# TCT 2013 AGENDA

## Sunday, October 27, 2013

### iASSESS

#### iASSESS Day 1

8:00 AM-6:00 PM

Moscone South, Lower Level, Room 103

### Scientific Symposia

#### ABCs of Interventional Cardiology: An Introductory Course

12:00 PM-5:00 PM

Moscone West, 3rd Floor, Room 3009

#### Aortic Valve Therapies: Today and Tomorrow I

12:00 PM-6:16 PM

Moscone West, 2nd Floor, Room 2001

#### Endovascular Symposium I

12:00 PM-6:20 PM

Moscone West, 2nd Floor, Room 2020

#### From Clinical Research to Evidence-Based Medicine

12:00 PM-6:10 PM

Moscone West, 3rd Floor, Room 3005

#### Hot Topics in Cardiology: ACC Highlights for the Interventional, Invasive, and General Cardiologist

12:00 PM-6:00 PM

Moscone West, 2nd Floor, Room 2014

#### Left Atrial Appendage Closure: Indications, Devices, and Techniques

12:00 PM-6:00 PM

Moscone West, 3rd Floor, Room 3001

#### Next Generation DES and Bioabsorbable Scaffolds

12:00 PM-6:35 PM

Moscone West, 2nd Floor, Room 2007

#### PFO and ASD Closure: Evolving Indications, Patient Selection, Devices, and Technique

12:00 PM-6:00 PM

Moscone West, 3rd Floor, Room 3010

#### Renal Artery Denervation: Target Hypertension and Beyond

12:00 PM-6:00 PM

Moscone West, 3rd Floor, Room 3006

### Special Sessions

#### 10th Anniversary Harmonization by Doing (HBD) at TCT: Novel Japan-US Synergy Research Opportunities in Global Medical Device Innovation

9:00 AM-5:00 PM

Moscone South, West Mezzanine, Room 238

### TCT for Nurses and Technologists

#### 22nd Annual Nurse and Technologist Symposium: Registered Cardiovascular Invasive Specialist (RCIS) Review Course

12:15 PM-5:30 PM

Moscone West, 3rd Floor, Room 3002-3004

### Maintenance of Certification (MOC) Course

#### Maintenance of Certification (MOC) Course I

7:00 PM-9:00 PM

Moscone South, Lower Level, Room 103

# Monday, October 28, 2013

---

## iASSESS

### iASSESS Day 2

8:00 AM-6:00 PM

Moscone South, Lower Level, Room 103

## Scientific Symposia

### 25 Years of Interventional Innovation: Novel Therapies and the Emerging Device Concepts for 2013

8:00 AM-6:10 PM

Moscone West, 2nd Floor, Room 2014

### Aortic Valve Therapies: Today and Tomorrow II

8:00 AM-6:31 PM

Moscone West, 2nd Floor, Room 2001

### Chronic Total Occlusions: Evolutionary Approaches

8:00 AM-6:10 PM

Moscone West, 3rd Floor, Room 3001

### Device-Based Approaches for Heart Failure: Recent Developments and New Directions

8:00 AM-5:55 PM

Moscone West, 3rd Floor, Room 3009

### The Drug-Eluting Stent Summit: Appropriate Utilization of Current Generation Devices

8:00 AM-6:15 PM

Moscone West, 2nd Floor, Room 2007

### Endovascular Symposium II

8:00 AM-6:22 PM

Moscone West, 2nd Floor, Room 2020

### Left Main and Bifurcation Stenting: An Advanced Operator's Workshop

8:00 AM-6:10 PM

Moscone West, 3rd Floor, Room 3006

### Mitral Valve Therapies Today and Tomorrow

8:00 AM-6:05 PM

Moscone West, 3rd Floor, Room 3014

### Transradial Angiography and Intervention: From Basic to Advanced

8:00 AM-5:50 PM

Moscone West, 3rd Floor, Room 3005

## TCT for Nurses and Technologists

### 22nd Annual Nurse and Technologist Symposium Session I

8:00 AM-12:00 PM

Moscone West, 3rd Floor, Room 3002-3004

### 22nd Annual Nurse and Technologist Symposium Session II. Breakout Symposium I

12:30 PM-4:30 PM

Moscone West, 3rd Floor, Room 3002-3004

### 22nd Annual Nurse and Technologist Symposium Session II. Breakout Symposium II

12:30 PM-4:30 PM

Moscone West, 3rd Floor, Room 3000

## Special Twilight Sessions

### Featured Clinical Research I

6:00 PM-7:45 PM

Moscone West, 3rd Floor, Room 3000

### Featured Clinical Research II

6:00 PM-8:00 PM

Moscone West, 2nd Floor, Room 2002

## Partnership Session: Approach to Complex PCI and STEMI: From Revascularization to Complication

### Management: TCT Mediterranean

6:00 PM-8:00 PM

Moscone West, 2nd Floor, Room 2010

## Partnership Session: Case-Based Learning in Complex PCI: China Interventional Therapeutics in Partnership with TCT

6:00 PM-8:00 PM

Moscone West, 2nd Floor, Room 2006

## Partnership Session: Functional Approach to Left Main and Bifurcation Stenting: Integrated Use of FFR and IVUS: Angioplasty Summit (TCT Asia-Pacific)

6:00 PM-8:00 PM

Moscone West, 2nd Floor, Room 2004

## Partnership Session: Optimizing PCI Outcomes: SOLACI in Partnership with TCT

6:00 PM-8:00 PM

Moscone West, 3rd Floor, Room 3010

## Partnership Session: Primary PCI and Structural Heart Disease Intervention: TCT Russia

6:00 PM-8:00 PM

Moscone West, 2nd Floor, Room 2008

## Partnership Session: The Interventional Gap Between Europe and the United States: Devices Available in Germany but Not the United States: p-c-i Live in Partnership with TCT

6:00 PM-8:00 PM

Moscone West, 2nd Floor, Room 2012

## Maintenance of Certification (MOC) Course

### Maintenance of Certification (MOC) Course II

7:00 PM-9:00 PM

Moscone South, Lower Level, Room 103

# Tuesday, October 29, 2013

---

## Breakfast Meetings

### The Emerging Role of Catheter-Based Renal Artery Denervation: Meeting the Challenges of Resistant Hypertension and More

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 122

### Improving STEMI Care: The New Self-Apposing Stent

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 121

### Integrating Physiology and Imaging into the Cath Lab: What Technology Should I Use and How and When Should I Use It?

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 125

### Intra-aortic Balloon Counterpulsation for Percutaneous Aortic Valve or Complex PCI Procedures: Award-Winning Case Presentations

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 120

### Management of Complex PCI Patients: Award-Winning Case Presentations

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 130

### Medtronic Cardiovascular: Enrolling Trials to Expand Evidence Beyond Initial Investigational Criteria SYMPPLICITY HTN-4:

### Symplcity™ RDN System for Moderate Hypertension SURTAVI: CoreValve® System for Aortic Stenosis with Intermediate Risk

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 123

### A Safe and Easy Alternative to Radial Access and Vascular Closure Devices

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 124

## The Transcatheter Valve Therapy (TVT) Registry: A New Era of Post-Approval FDA-CMS Registry Data Collection

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 132

### Main Arena I

8:00 AM-1:00 PM

Moscone South, Esplanade Level, Esplanade Ballroom

#### Plenary Session I. Live Cases I

8:00 AM-9:00 AM

#### Plenary Session II. TCT 2013: Celebrating 25 Years and Still Going Strong!

9:30 AM-10:20 AM

#### Plenary Session III. TCT 2013 Career Achievement Award

10:20 AM-10:35 AM

#### Plenary Session IV. Late Breaking Clinical Trials I

10:35 AM-11:45 AM

#### Plenary Session V. Live Cases II

11:45 AM-1:00 PM

### How to Treat Theater: Coronary Artery Disease I

8:00 AM-1:00 PM

Moscone North, Lower Level, Hall D

#### Session I

8:00 AM-8:30 AM

#### Session II. Live Cases

8:30 AM-10:30 AM

#### Session III

10:30 AM-11:00 AM

#### Session IV. Live Cases

11:00 AM-1:00 PM

### How to Treat Theater: Structural Heart Disease I

8:00 AM-1:00 PM

Moscone North, Lower Level, Hall D

#### Session I

8:00 AM-8:30 AM

#### Session II. Live Cases

8:30 AM-10:30 AM

#### Session III

10:30 AM-11:00 AM

#### Session IV. Live Cases

11:00 AM-1:00 PM

### Special Sessions

#### SCAI Emerging Leader Mentorship (ELM) Program Session II at TCT

7:00 AM-1:00 PM

Moscone South, West Mezzanine, Room 238

#### CoreValve US Pivotal Extreme Risk Study: Overview and In-Depth Analyses

1:00 PM-2:30 PM

Moscone North, Lower Level, Room 131

### TCT for Nurses and Technologists

#### 22nd Annual Nurse and Technologist Symposium Session III. Edited Taped Cases

1:00 PM-4:00 PM

Moscone North, Lower Level, Room 130

## International Multiplex Theater

**Challenging Primary PCI in AMI Cases (Presented by the Association of Percutaneous Cardiovascular Interventions of the Polish Cardiac Society, the Working Group of the Interventional Cardiology of the Slovak Society of Cardiology, and the Romanian Cardiac Society)**

8:00 AM-9:00 AM

Moscone North, Lower Level, Presentation Theater 2

**Critical Issues in Primary PCI (Presented by the Czech Society of Cardiology-Working Group of Interventional Cardiology and the Hungarian Society of Cardiology)**

8:00 AM-9:00 AM

Moscone North, Lower Level, Presentation Theater 1

**Challenging Cases in Cardiogenic Shock (British Cardiovascular Intervention Society and the Canadian Association of Interventional Cardiology)**

9:00 AM-10:00 AM

Moscone North, Lower Level, Presentation Theater 2

**Unusual and Difficult Coronary Interventions (Presented by the Hong Kong College of Cardiology (HKCC), Hong Kong Society of Transcatheter Endocardiovascular Therapeutics (HKSTENT), the Korean Society of Cardiology (KSC), the Cardiovascular Intervention Association of Thailand (CIAT) and the Singapore Cardiac Society (SCS) )**

9:00 AM-10:00 AM

Moscone North, Lower Level, Presentation Theater 1

**Coronary Challenges in Cath Labs (Presented by the Mexican Society of Interventional Cardiology and the Turkish Cardiology Society)**

10:00 AM-11:00 AM

Moscone North, Lower Level, Presentation Theater 2

**How Should I Treat? Complex Angioplasty and Acute Coronary Syndromes (Presented by the Colegio Argentino de Cardioangiologia Intervencionista – Argentina and the Groupe Atheroma et Cardiologie Interventionnelle – France)**

10:00 AM-11:00 AM

Moscone North, Lower Level, Presentation Theater 1

## Morning Spotlight Sessions

**Alcohol Septal Ablation: A When-to and How-to Guide**

8:00 AM-11:55 AM

Moscone North, Lower Level, Room 134

**Interventional, Surgical, and Hybrid Procedures: Case Studies in Conflict and Consensus (Co-sponsored by the American Association for Thoracic Surgery)**

8:00 AM-6:20 PM

Moscone South, Lower Level, Room 104

**Pharmacological and Interventional Options for Stroke Prevention in Atrial Fibrillation**

8:00 AM-12:00 PM

Moscone North, Lower Level, Room 135

**Revascularization Dilemmas: PCI, CABG, or GDMT in Patients with Coronary Artery Disease**

8:00 AM-12:02 PM

Moscone South, Lower Level, Room 104

**Strategies for Cardiovascular Repair: Stem Cells and Beyond**

8:00 AM-12:05 PM

Moscone North, Lower Level, Room 133

## Oral Abstract Sessions

**Antiplatelet Agents**

1:00 PM-3:15 PM

Moscone West, 3rd Floor, Room 3016

**Bare Metal and Drug-Eluting Stents**

1:00 PM-3:00 PM

Moscone West, 3rd Floor, Room 3024

## Bifurcation and Left Main Stenting

1:00 PM-3:00 PM

Moscone West, 3rd Floor, Room 3020

## Bioabsorbable Vascular Scaffolds

1:00 PM-3:15 PM

Moscone West, 3rd Floor, Room 3018

## Invasive Imaging

1:00 PM-3:15 PM

Moscone West, 2nd Floor, Room 2010

## Miscellaneous Coronary Interventions

1:00 PM-3:15 PM

Moscone West, 2nd Floor, Room 2012

## Percutaneous Treatment of Mitral Valve Disease

1:00 PM-3:15 PM

Moscone West, 2nd Floor, Room 2004

## Percutaneous Treatment of Nonvalvular Structural Heart Disease

1:00 PM-3:15 PM

Room TBA

## Physiological Lesion Assessment

1:00 PM-3:15 PM

Moscone West, 2nd Floor, Room 2000

## Renal Denervation and Endovascular Intervention

1:00 PM-3:15 PM

Moscone West, 3rd Floor, Room 3022

## STEMI and High-Risk Patients

1:00 PM-3:15 PM

Moscone West, 2nd Floor, Room 2003

## TAVR Imaging

1:00 PM-3:15 PM

Moscone West, 2nd Floor, Room 2009

## TAVR Outcomes

1:00 PM-3:15 PM

Moscone West, 2nd Floor, Room 2008

## Moderated Poster Abstract Sessions

### Poster Abstract Session I. Coronary

3:30 PM-5:30 PM

Room TBA

### Poster Abstract Session II. Structural

3:30 PM-5:30 PM

Room TBA

## Presentation Theater

### Challenges and Controversies in Elective PCI: Does There Have to Be a Trade-Off Between Outcomes and Cost?

12:30 PM-1:30 PM

Moscone South, Lower Level, Presentation Theater 2

### The Direct Flow System: Innovation for Improving Outcomes in TAVR

12:30 PM-1:30 PM

Moscone South, Lower Level, Presentation Theater 1

## Evening Programs

### Advancing Science for Life: Real Stories. Real Innovation. Real Change.

7:00 PM-8:30 PM

Moscone West, 3rd Floor, Room 3000-3012

### Coronary Calcification: Between a Rock and a Hard Place

7:00 PM-8:30 PM

Moscone West, 2nd Floor, Room 2014-2018

## The Efficient and Affordable TAVR Program

7:00 PM-8:12 PM

Moscone West, 2nd Floor, Room 2007-2011

## Enhancing Outcomes for ACS Patients: Individualized Approaches to Reduce Ischemic Risk

7:00 PM-8:30 PM

Moscone West, 2nd Floor, Room 2007-2011

## Issues with DAPT: A Case-Based Roundtable with the Experts

7:00 PM-8:30 PM

Moscone West, 2nd Floor, Room 2002-2006

## A Primer on Mitral Regurgitation: Diagnosis to Therapeutic Decision-making-approved

7:00 PM-8:30 PM

Moscone West, 2nd Floor, Room 2020-2024

# Wednesday, October 30, 2013

## Breakfast Meetings

### Balloon Aortic Valvuloplasty: Expert Techniques and New Technologies

7:00 AM-7:45 AM

Moscone North, Lower Level, Room 123

### Evolution of the AngioSculpt® Scoring Technology and Development of a Drug-Coated Scoring Balloon

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 121

### Innovative Solutions for PCI Optimization

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 124

### Mitralign: Applications for Mitral and Tricuspid Diseases

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 132

### Optimizing PCI with Robotic Angioplasty

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 122

### Renal Sympathetic Denervation: Advancing Innovations in Open-Irrigated Catheter Ablation

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 130

### The Science and Benefit of Hemodynamic Support

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 120

### Vascular Access Across the Interventional Armamentarium: Optimal Safety and Success Through Novel Technologies

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 125

## Main Arena II

8:00 AM-6:00 PM

Moscone South, Esplanade Level, Esplanade Ballroom

### Plenary Session VI. Live Cases III

8:00 AM-9:30 AM

### Plenary Session VII. Late Breaking Clinical Trials II

9:30 AM-10:40 AM

### Plenary Session VIII. TCT 2013 Geoffrey O. Hartzler Master Operator Award

10:40 AM-10:55 AM

### Plenary Session IX. The State of the Subspecialty: Past Achievements and Current and Future Challenges

10:55 AM-11:30 AM

### Plenary Session X. Live Cases IV

11:30 AM-1:00 PM

## Plenary Session XI. The State of . . . Clinical Research

2:00 PM-3:15 PM

## Plenary Session XII. The State of . . . Coronary Intervention

3:15 PM-4:30 PM

## Plenary Session XIII. Interventional Futures I. Valvular and Structural Heart Disease

4:30 PM-5:45 PM

## Plenary Session XIV. The Donald S. Baim Memorial Lecture

5:45 PM-6:00 PM

## How to Treat Theater: Coronary Artery Disease II

8:00 AM-5:03 PM

Moscone North, Lower Level, Hall D

### Session V

8:00 AM-8:30 AM

### Session VI. Live Cases

8:30 AM-10:30 AM

### Session VII

10:30 AM-11:00 AM

### Session VIII. Live Cases

11:00 AM-1:00 PM

### Session IX. First Report Investigations I

1:00 PM-2:33 PM

### Session X

2:33 PM-3:33 PM

### Session XI. Live Cases

3:03 PM-5:03 PM

## How to Treat Theater: Endovascular Disease

8:00 AM-5:00 PM

Moscone North, Lower Level, Hall D

### Session I

8:00 AM-8:30 AM

### Session II. Live Cases

8:30 AM-10:30 AM

### Session III

10:30 AM-11:00 AM

### Session IV. Live Cases

11:00 AM-1:00 PM

### Session VI

2:30 PM-3:00 PM

### Session VII. Live Cases

3:00 PM-5:00 PM

## Special Sessions

### FDA Town Hall Meeting

8:00 AM-5:30 PM

Moscone South, Lower Level, Room 102

### Intracoronary OCT Imaging: Learn what you see with the iPad Atlas of OCT - Interactive OCT image interpretation session

9:00 AM-10:30 AM

Moscone South, Lower Level, Presentation Theater 3

### Edited Taped Cases I

9:30 AM-11:00 AM

Moscone North, Lower Level, Presentation Theater 4

## Edited Taped Cases II

2:00 PM-3:00 PM

Moscone North, Lower Level, Presentation Theater 4

**Intracoronary OCT Imaging: Learn What You See with the iPad Atlas of OCT - Interactive OCT Image Interpretation Session**

2:00 PM-3:30 PM

Moscone South, Lower Level, Presentation Theater 3

## International Multiplex Theater

**Entrapment and Embolization in the Cath Lab (Presented by the National Interventional Council of India and the Bangladesh Society of Cardiovascular Intervention)**

8:00 AM-9:00 AM

Moscone North, Lower Level, Presentation Theater 2

**Pushing The Limits In Coronary And Structural Heart Disease Interventions (Presented by the Working Group on Interventional Cardiology of the Spanish Society of Cardiology, Bulgarian Society of Cardiology)**

8:00 AM-9:00 AM

Moscone North, Lower Level, Presentation Theater 1

**Challenging Coronary Cases (Presented by the Japanese Association of Cardiovascular Intervention and Therapeutics and the Interventional Council of the Cardiac Society of Australia and New Zealand)**

9:00 AM-10:00 AM

Moscone North, Lower Level, Presentation Theater 2

**Complex Coronary Interventions: Walking the Fine Line (Presented by the Israel Working Group of Interventional Cardiology, the Swiss Working Group Interventional Cardiology and Acute Coronary Syndrome, and the Scottish Cardiac Society Working Group)**

9:00 AM-10:00 AM

Moscone North, Lower Level, Presentation Theater 1

**Challenging EVAR and TAVR (Iranian Society of Interventional Cardiology and the Russian Scientific Society of Endovascular Therapies)**

10:00 AM-11:00 AM

Moscone North, Lower Level, Presentation Theater 2

**Renal Denervation in South America (Presented by the Portuguese Association for Interventional Cardiology and the Brazilian Society of Hemodynamics and Intervention)**

10:00 AM-11:00 AM

Moscone North, Lower Level, Presentation Theater 1

**Complex Cardiovascular Interventions (Presented by the Taiwan Society of Cardiovascular Interventions)**

2:00 PM-3:00 PM

Moscone North, Lower Level, Presentation Theater 2

**Nightmares in Cath Lab (Presented by the Italian Society of Invasive Cardiology and the Egyptian Society of Cardiology)**

2:00 PM-3:00 PM

Moscone North, Lower Level, Presentation Theater 1

**Nordic Baltic Bifurcation Studies: The Right Strategy for Long-term Outcome (Presented by the Nordic-Baltic Societies of Finland, Norway, Sweden, Latvia, and Denmark)**

3:00 PM-5:00 PM

Moscone North, Lower Level, Presentation Theater 1

**Unusual Solutions for Unusual Problems in the Cath Lab (Presented by The Working Group on Interventional Cardiology of the Austrian Society of Cardiology and the Belgian Working Group on Interventional Cardiology)**

3:00 PM-4:00 PM

Moscone North, Lower Level, Presentation Theater 2

**Complex Case Presentations: The Spectrum of Interventional Cardiology (Presented by the Interventional Cardiology Working Group of the Indonesian Heart Association, the National Heart Association of Malaysia, Philippine Heart Association, and the Indonesian Heart Association-Working Group of Interventional Cardiology [PIKI])**

4:00 PM-5:00 PM

Moscone North, Lower Level, Presentation Theater 2

## Morning Spotlight Sessions

### Aortic Endografts and Aneurysm Repair (Co-sponsored by the International Special Events Society)

8:00 AM-12:10 PM

Moscone South, Lower Level, Room 104

### Echo Guidance of Structural Heart Disease Procedures: An American Society of Echocardiography-Sponsored Symposium

8:00 AM-12:15 PM

Moscone North, Lower Level, Room 134

### First-in-Human Studies: Global Regulatory and Translational Considerations

8:00 AM-11:48 AM

Moscone North, Lower Level, Room 135

### Integrating IVUS and FFR into Clinical Practice

8:00 AM-12:10 PM

Moscone North, Lower Level, Room 133

## Hot Topic Lunchtime Sessions

### Assessing Quality in the Cath Lab: Innovation from the US Veterans Health Administration

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 130

### Cath Lab Directors Lunch: Managing the Present and Preparing for the Future

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 124

### Diabetic Issues: From Revascularization Decisions to Glycemic Control

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 121

### European Heart Journal Session: The Year in Interventional Cardiology

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 133

### Focus on Chronic Kidney Disease and Contrast-Induced Nephropathy

12:15 PM-1:55 PM

Moscone North, Lower Level, Room 134

### Guideline Directions and Controversies: STEMI and NSTEMI

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 125

### JACC Session: Best Interventional Cardiology Articles of 2013

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 123

### Launching and Sustaining Your Career: A Joint Session of SCAI's Emerging Leader Mentorship Program (ELM) and ACC's Cardiovascular Leadership Institute (CLI)

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 120

### Lessons from Cases You Don't See Everyday: CACI@TCT

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 132

### Mitral Stenosis: The Forgotten Mitral Valve Disorder

12:15 PM-1:50 PM

Moscone North, Lower Level, Room 135

### Special ACC Fellows Session I. Valvular Heart Disease: Year in Review 2013

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 122

## Learn the Techniques Lunchtime Sessions

### Bioresorbable Vascular Scaffolds: Montreal Live in Partnership with TCT

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 110

## Complex Bifurcation

12:15 PM-1:45 PM

Moscone South, Lower Level, Room 104

## Complex Congenital Intervention

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 113

## Interventional “Rich Emotional Experiences”

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 112

## Nuts and Bolts of IVUS

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 114

## The Retrograde Approach to CTOs (in Association with Complex Cardiovascular Therapeutics)

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 111

## Transseptal Puncture

12:15 PM-1:45 PM

Moscone South, Lower Level, Room 103

## Presentation Theater

### First Look at Outcomes from the First IDE Trial for Drug-Coated Balloons

12:30 PM-1:30 PM

Moscone South, Lower Level, Presentation Theater 1

### Interventional Cardiovascular Medicine in Asia: Management Today: Current Challenges and Emerging Solutions

12:30 PM-1:30 PM

Moscone North, Exhibit Hall, Presentation Theater 3

### New Low Dose Imaging Technology: Experience in Guiding Complex Interventions

12:30 PM-12:30 PM

Moscone South, Lower Level, Presentation Theater 2

### Novel Interventional Technologies: DES, BRS, TAVR, and Beyond

12:30 PM-1:30 PM

Moscone North, Exhibit Hall, Presentation Theater 4

## Afternoon Spotlight Sessions

### Deep Dive Session: The MitraClip: Indications, Technique, and Outcomes

2:00 PM-6:10 PM

Moscone North, Lower Level, Room 135

### International Debating Chamber: Interventional Cardiology on Trial (Sponsored by the British Cardiovascular Intervention Society)

2:00 PM-6:00 PM

Moscone South, Lower Level, Room 104

### The STEMI Center of Excellence: Strategies to Optimize Outcomes in AMI

2:00 PM-6:10 PM

Moscone North, Lower Level, Room 133

### Vulnerable Plaque Detection and Treatment

2:00 PM-6:10 PM

Moscone North, Lower Level, Room 134

## Evening Programs

### Drug-Coated Balloon Technologies: Controversies, Current Challenges and Future Trends

7:00 PM-7:00 PM

Moscone West, 2nd Floor, Room 2007-2011

### The Embolic Protection Stent: A More Effective Solution in STEMI Treatment

7:00 PM-8:35 PM

Moscone West, 2nd Floor, Room 2020-2024

### Intervention in Transition: Preparing for the Future

7:00 PM-8:30 PM

Moscone West, 2nd Floor, Room 2014-2018

## Knights of the Roundtable 2013: Challenging AMI Therapies

7:00 PM-8:43 PM

Moscone West, 2nd Floor, Room 2001-2005

## New Concepts for Improved Patient Outcomes

7:00 PM-8:30 PM

Moscone West, 2nd Floor, Room 2002-2006

# Thursday, October 31, 2013

## Breakfast Meetings

### Advancements in Structural Heart Therapies

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 124

### Innovative Hybrid Therapy for Complex Cardiovascular Problems: Collaborative Care Case Reviews

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 123

### Putting Appropriateness Within Reach: New Global Clinical Data and Workflows

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 132

### SSF Bioskills: Perfusion, Dissection, and Imaging to Optimize Understanding of Structural Heart and the Cardiovascular System

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 130

### True Valvuloplasty for TAVR

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 125

### Tryton IDE Study Outcomes: The Change in Daily Practice Treating Bifurcations

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 121

## Main Arena III

8:00 AM-6:00 PM

Moscone South, Esplanade Level, Esplanade Ballroom

### Plenary Session XV. Live Cases V

8:00 AM-9:30 AM

### Plenary Session XVI. Late Breaking Clinical Trials III

9:30 AM-10:40 AM

### Plenary Session XVII. TCT 2013 Thomas J. Linnemeier Spirit of Interventional Cardiology Young Investigator Award

10:40 AM-10:55 AM

### Plenary Session XVIII. The Digital Revolution in Cardiology

10:55 AM-11:30 AM

### Plenary Session XIX. Live Cases VI

11:30 AM-1:00 PM

### Plenary Session XX. Interventional Futures II. Bioabsorbable Scaffolds and Renal Denervation

2:00 PM - 3:00 PM

### Plenary Session XXI. The State of . . . Endovascular Intervention

3:00 PM - 3:45 PM

### Plenary Session XXII. The State of . . . Intravascular Imaging and Physiology

3:45 PM-4:30 PM

### Plenary Session XXIII. The State of . . . Interventional Translational Science and Innovation

4:30 PM-5:15 PM

### Plenary Session XXIV. The State of . . . Interventional Pharmacology

5:15 PM-6:00 PM

## How to Treat Theater: Coronary Artery Disease III

8:00 AM-5:15 PM

Moscone North, Lower Level, Hall D

### Session XII

8:00 AM-8:30 AM

### Session XIII. Live Cases

8:30 AM-10:30 AM

### Session XIV

10:30 AM-11:00 AM

### Session XV. Live Cases

11:00 AM-1:00 PM

### Session XVI. First Report Investigations II

1:00 PM-2:45 PM

### Session XVII

2:45 PM-3:15 PM

### Session XVIII. Live Cases

3:15 PM-5:15 PM

## How to Treat Theater: Structural Heart Disease II

8:00 AM-5:30 PM

Moscone North, Lower Level, Hall D

### Session V

8:00 AM-8:30 AM

### Session VI. Live Cases

8:30 AM-10:30 AM

### Session VII

10:30 AM-11:00 AM

### Session VIII. Live Cases

11:00 AM-1:00 PM

### Session X

2:30 PM-3:00 PM

### Session XI. Live Cases

3:00 PM-5:30 PM

## Special Sessions

### Edited Tapes Cases III

9:30 AM-11:00 AM

Moscone North, Lower Level, Presentation Theater 4

## Morning Spotlight Sessions

### Drug-Coated Balloons I. Preclinical Science and Coronary Applications

8:00 AM-12:10 PM

Moscone North, Lower Level, Room 134

### Next Generation Intravascular Imaging and Physiology: RF-IVUS, OCT, NIR Spectroscopy, iFR, and CT-FFR

8:00 AM-12:00 PM

Moscone North, Lower Level, Room 133

### Optimizing Use of Today's Antithrombotic and Antiplatelet Drugs in ACS and PCI

8:00 AM-12:00 PM

Moscone South, Lower Level, Room 104

### Role of the Interventional Cardiologist in Comprehensive Stroke Management

8:00 AM-12:00 PM

Moscone North, Lower Level, Room 135

## Hot Topic Lunchtime Sessions

### Antiplatelet Therapy Controversies

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 125

### Bioabsorbable Scaffolds and TAVR Complications: GI2 and SBHCI in Partnership with TCT

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 132

### Career Development for the New Interventionalist

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 122

### Circulation Journal Session: Best Interventional Cardiology Articles of 2013

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 131

### Genetic Testing in a Busy Invasive Cardiology Practice: Why and How To

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 130

### Intervention in Women, the Elderly, and Minorities

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 124

### Minimizing and Managing Cath Lab Complications

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 121

### Quality Metrics in the Cath Lab

12:15 PM-1:45 PM

Room TBA

### Special ACC Fellows Session II. Oral Anticoagulation 2013: VTE, Atrial Fibrillation, and Valvular Heart Disease

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 123

### Special ACC Practitioners Session: How to Manage, Maintain, and Expand Your Clinical Practice

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 133

## Learn the Techniques Lunchtime Sessions

### Acute Infarct Angioplasty and Cardiogenic Shock

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 120

### CTO Antegrade Reentry Techniques

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 112

### Left Main Intervention

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 110

### Nuts and Bolts of FFR

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 111

### Paravalvular Leak Closure

12:15 PM-10:45 PM

Moscone North, Lower Level, Room 113

### Renal Artery Denervation

12:15 PM-1:45 PM

Moscone North, Lower Level, Room 114

### Transcatheter Aortic Valve Implantation: Tips and Tricks

12:15 PM-1:45 PM

Moscone South, Lower Level, Room 104

## Transradial Intervention

12:15 PM-1:45 PM

Moscone South, Lower Level, Room 103

## Presentation Theater

### The COMBO Dual Therapy Stent: Setting the New Standard in Stenting

12:30 PM-1:30 PM

Moscone South

### Endovascular Frontiers: Demystifying Exotic Access

12:30 PM-1:29 PM

Moscone South

### Impact of Stent Design on Clinical Practice: Bench to Bedside

12:30 PM-1:30 PM

Moscone North

### Mastering Interventional Pharmacotherapy for ACS

12:30 PM-1:30 PM

Moscone North

## International Multiplex Theater

### Challenging CTO Cases (Presented by the Chinese Society of Cardiology)

2:00 PM-3:00 PM

Moscone North, Lower Level, Presentation Theater 1

### A Potpourri of Intervention (Presented by the Tunisian Working Group on Interventional Cardiology and the Saudi Arabia Cardiac Interventional Society)

2:00 PM-3:00 PM

Moscone North, Lower Level, Presentation Theater 2

### High-Risk STEMI: From Primary PCI to Treatment of Complications (Presented by the German Society of Cardiology, Interventional Working Group of the German Society of Cardiology, Dutch Working Group Interventional Cardiology, and the Working Group on Interventional Cardiology of the Danish Cardiological Society)

3:00 PM-4:30 PM

Moscone North, Lower Level, Presentation Theater 1

### Multivessel Disease: Matching the Therapy to Doctor and Patient Preference (Presented by the South African Society of Cardiovascular Intervention, the Interventional Working Group of Cardiology Society of Serbia, the Working Group of Interventional Cardiology of The Croatian Cardiac Society, the Cyprus Society of Cardiology and The Working Group of the Hellenic Society)

3:00 PM-5:30 PM

Moscone North, Lower Level, Presentation Theater 2

### High-Risk and Complex Coronary Intervention (Co-sponsored by ACVS)

4:30 PM-5:30 PM

Moscone North, Lower Level, Presentation Theater 1

## Afternoon Spotlight Sessions

### Controversies in Interventional Cardiology: The Skeptic's Corner

2:00 PM-5:56 PM

Moscone South, Lower Level, Room 104

### Drug-Coated Balloons II. Peripheral Vascular Applications

2:00 PM-6:00 PM

Moscone North, Lower Level, Room 134

### Primary PCI for STEMI: Drugs, Devices, and Technique Controversies

2:00 PM-6:14 PM

Moscone North, Lower Level, Room 133

### TAVR Readiness: Setting up a Successful TAVR Program

2:00 PM-6:05 PM

Moscone North, Lower Level, Room 135

## Evening Programs

### ACS/STEMI: Focus on Acute Care

7:00 PM-8:30 PM

Moscone West, 2nd Floor, Room 2001-2005

### A Deep Dive on Below-the-Knee Intervention: Strategy, Technique, and Emerging Therapeutic Devices

7:00 PM-8:31 PM

Moscone West, 2nd Floor, Room 2002-2006

### Real-life Treatment Dilemmas: Managing Atrial Fibrillation and Chronic Anticoagulant Therapy in the PCI Population

7:00 PM-8:40 PM

Moscone West, 2nd Floor, Room 2014-2018

### Renal Denervation Therapies: Current Evidence and Controversies

7:00 PM-8:30 PM

Moscone West, 2nd Floor, Room 2007-2011

## Friday, November 01, 2013

### Breakfast Meetings

#### Guidewire Design and Selection: A User's Guide

7:00 AM-8:00 AM

Moscone North, Lower Level, Room 121

### Main Arena IV

8:00 AM-2:00 PM

Moscone South, Esplanade Level, Esplanade Ballroom

#### Plenary Session XXV. Live Cases VII

8:00 AM-8:45 AM

#### Plenary Session XXVI. Clinically Oriented Case-Based Tutorials I. Coronary Artery Disease

8:45 AM-10:00 AM

#### Plenary Session XXVII. Live Cases VIII

10:00 AM-10:45 AM

#### Plenary Session XXVIII. Clinically Oriented Case-Based Tutorials II. Aortic and Mitral Valve Disease

10:45 AM-12:00 PM

#### Plenary Session XXIX. TCT 2013 "Case of the Year" Award Winners

12:00 PM-12:30 PM

#### Plenary Session XXX. Clinically Oriented Case-Based Tutorials III. Miscellaneous Topics

12:30 PM-2:00 PM
